

There are dozens of trail riding groups, saddle clubs and other horse-related organizations in the state that hold trail ride outings. These range from short pleasure rides to overnight camping trips and competitive events.

There are numerous groups that have specialized trail events, volunteer work days and activities at parks and forests with equestrian facilities. Contact the area managers for a schedule. A special events permit must be obtained from the DNR prior to holding an organized event in state parks, recreation areas and forests under DNR management.

This brochure was printed through a donation by the Iowa Equestrian Trails Council and the Iowa Horse Council (IHC).

The IHC is a volunteer based, non-profit organization that believes in the value of horses and horse activities. The IHC serves and supports the entire horse industry through communication, education and promotion. For more information about IHC or how to become a member, please visit their website at [www.iowahorsecouncil.com](http://www.iowahorsecouncil.com)

## RULES AND RECOMMENDATIONS FOR STATE PARKS, RECREATION AREAS AND FORESTS

### *To Prevent Erosion & Preserve Your Natural Resources*

—Call ahead for current trail conditions.

—**Always stay on marked equestrian trails – do not make short cuts.** Trail renovation is costly. By staying on the designated trails, you are doing your part to protect these natural areas for the future.

—Cross streams only at designated areas.

—After camping, the hitch rail area or stall should be raked and left clean.

—Tying animals to any vegetation is prohibited.

—State parks and recreation areas have a “Carry In/Carry Out” litter policies in all areas except campgrounds.

### *For Safety*

—Be careful with campfires. Clear the area around the fire ring and never leave fires unattended.

—Horse racing or running in camp areas is strictly prohibited.

—Recognize the other park users such as hunters and hikers may be unfamiliar with or afraid of horses.

—All pets must be caged or leashed.

—Be aware that hunting is permitted in all state recreation areas and forests except within developed facilities such as campgrounds.

### *Stabling*

—In designated campgrounds in all state areas, animals must be stabled inside a horse trailer; or at a hitch rail, individual stalls or a corral when provided. This practice reduces unnecessary damage to the campsites.

—Animals may be hitched to trailers for short periods of time to allow for grooming and saddling.

—Animals may be stabled at trailers where no hitching facilities are provided.

—Portable stalls/pens are not allowed.

—Staking out or hobbles prohibited.

### *DNR Equestrian Facilities*

—Please notify DNR of any dangerous areas or conditions.

—Campers must self-register in campground.

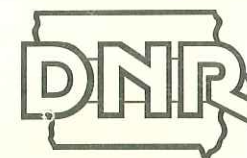

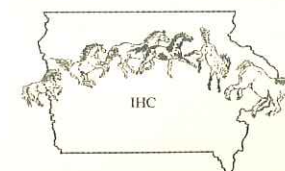

—Equestrian day-users must park in the equestrian day-use area if provided, not in campground.

—These public lands are for your use and enjoyment. Do what you can to help maintain and preserve these trails.

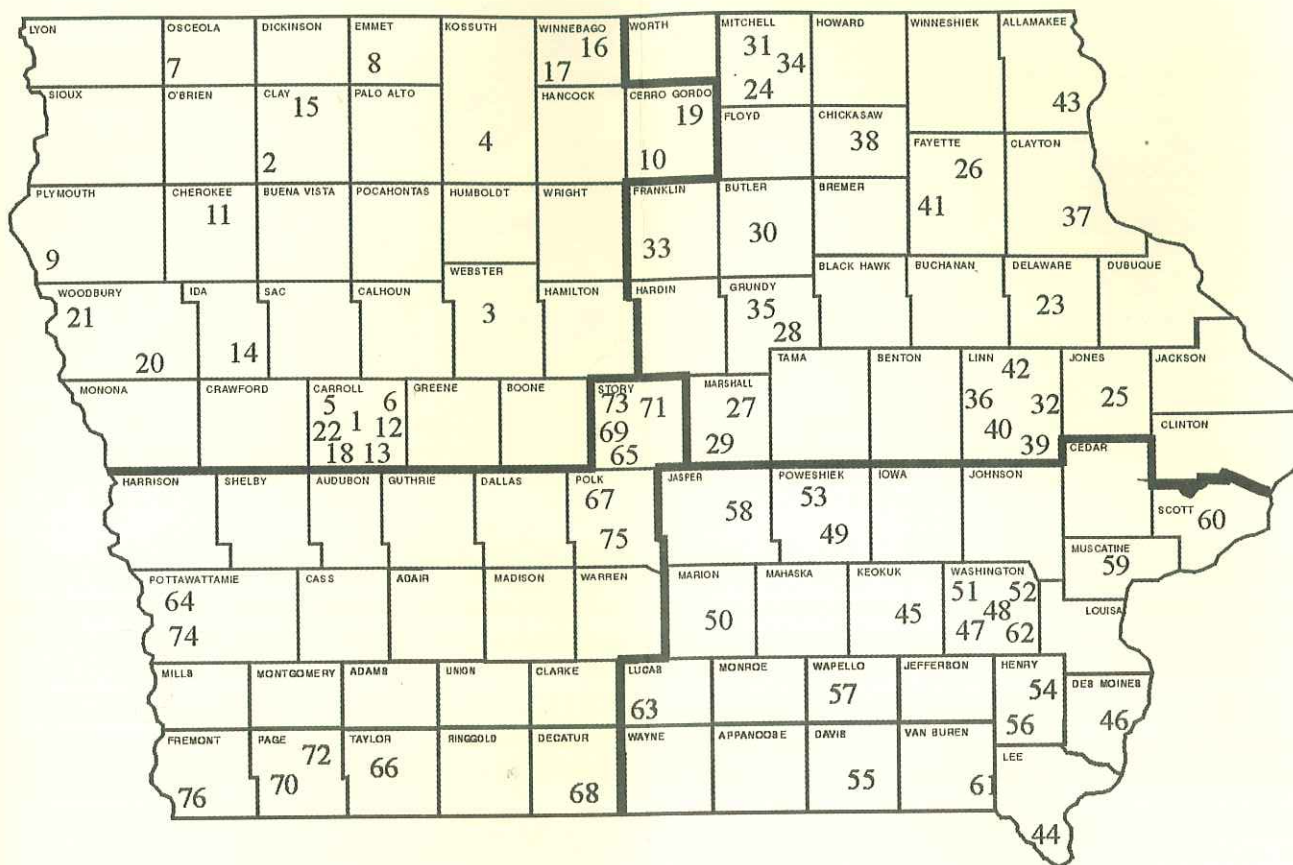

Federal regulations prohibit discrimination on the basis of race, color, national origin, sex or disability. If you believe you have been discriminated against in any program, activity or facility mentioned in this publication, please write to Director; Iowa Department of Natural Resources; Des Moines, Iowa 50319-0034 or the Equal Employment Opportunity Commission, Washington D.C. 20240.

# Trail Riding In Iowa

The State of Iowa offers a wide variety of equestrian trail opportunities on 76 state and county areas. These trails vary in length from 1 to 50 miles. Equestrian camping is provided in 45 areas which range from modern to primitive. Equestrian trails are generally open in early spring until the first snowfall. However, trails may be temporarily closed throughout the season if they are determined to be too wet for riding. Call ahead for trail conditions, as information is available from individual area managers at the phone numbers provided.

Please look at the chart on the back for information regarding facilities and other amenities available in these state and county areas.

Individual state park, recreation area and forest brochures are available at the respective parks. These brochures contain more information specific to the area including an area map and trail layout. Brochures may also be obtained by calling the DNR at 515/281-5918. All brochures and maps are available as downloadable pdf files at [www.exploreiowaparks.com](http://www.exploreiowaparks.com).

72. Nodaway Valley Park
73. Skunk River Greenbelt
74. Wabash Trail
75. Walnut Woods State Park
76. Waubonsie State Park

# Good Trail Etiquette

Ride only on open designated trails. *Call ahead* to be sure that your favorite trails are open. Certain conditions may required that they be temporarily closed.

When meeting others, *move to the right* of the trail.

Bikers should *yield* to hikers and animals. Never spook animals.

*Alert* any trail user by speaking when you approach them, especially from behind. If wishing to pass, indicate your desire verbally and wait until safe passage is possible. Riders and/or cyclists may need to dismount and move off the trail. Back horses off the trail when kicking may be foreseen.

Horses known to kick should wear a **red ribbon** on the tail.

Stallions should wear a **yellow ribbon** on the tail.

Control your bicycle or animal. *No racing/running.*

\*Modern has flushable toilets and showers; Nonmodern has no showers and either flush toilets or pit latrines; Primitive camping has no showers or restrooms of any kind.

\*\*Areas have stalls or pens available.

Riding double is unsafe and discouraged.

Do not remove or rearrange trail markings. Follow trail sign instructions.

Take no alcoholic beverages onto the trail.

Leave no trace. Carry out any trash found on the trail.

Remove all manure/trash from the parking area, carry a shovel, broom or rake within the trailer.

Plan ahead. Know the trail, carry a map, compass, watch and emergency supplies.

Leave the wild, wild and enjoy the trails!

**RIDE IOWA!**

Practice good sportsmanship and share these etiquette rules among multi-use trail users. Be an ambassador for your sport.
